

Bright Horizons Benefits That **Meet the Moment**

Back-Up Care for Children & Elders

Use your back-up care benefit when you experience a breakdown in normal care arrangements — with health and safety policies that set the standard for the industry. Schedule care at a nearby center or have a caregiver come to your home.

- Access to 10 days of back-up care per year (days refresh in January)
- Schedule [back-up child care](#) in centers — at summer camps in select locations— or at home
- Reserve [back-up care for your elderly loved one](#) in your home -- or theirs!
- You're only responsible for a small copay for each reservation. Center-based care is \$15/day for one child or \$25/day for two or more children; In-Home care: \$6 per hour

Virtual Tutoring

You can now use your Back-Up Care benefit to schedule one-on-one [tutoring support](#) for your child in reading, math, science, social studies, and 300+ other subjects. Exchange one day of back-up care for 4 hours of Virtual Tutoring. Best part? You are only responsible for a \$15 copay.

Pet Care

Pet Care is now part of your Back-Up Care benefit! Trade in Back-Up Care days in exchange for a credit on Rover where you can book pet sitters, dog walkers, and overnight boarding. There is no copay or out-of-pocket expense for this benefit. Watch this [video](#) to learn more!

Sittercity
