What Is the Certificate of Coverage?

This *Certificate of Coverage (Certificate)* is part of the Policy that is a legal document between UnitedHealthcare Insurance Company and the Group. The *Certificate* describes Covered Vision Care Services, subject to the terms, conditions, exclusions and limitations of the Policy. We issue the Policy based on the Group's *Application* and payment of the required Policy Charges.

In addition to this *Certificate*, the Policy includes:

- The *Schedule of Covered Vision Care Services*.
- The Group's *Application*.
- Riders.
- Amendments.

You can review the Policy at the Group's office during regular business hours.

Can This Certificate Change?

We may, from time to time, change this *Certificate* by attaching legal documents called Riders and/or Amendments that may change certain provisions of this *Certificate*. When this happens we will send you a new *Certificate*, Rider or Amendment.

Other Information You Should Have

We have the right to change, interpret, withdraw or add Benefits, or to end the Policy, as permitted by law, without your approval.

On its effective date, this *Certificate* replaces and overrules any *Certificate* that we may have previously issued to you. This *Certificate* will in turn be overruled by any *Certificate* we issue to you in the future.

The Policy will take effect on the date shown in the Policy. Coverage under the Policy starts at 12:01 a.m. and ends at 12:00 midnight in the time zone of the Group's location. The Policy will remain in effect as long as the Policy Charges are paid when they are due, subject to *Section 4: When Coverage Ends*.

We are delivering the Policy in Illinois. The Policy is governed by ERISA unless the Group is not an employee health and welfare plan as defined by ERISA. To the extent that state law applies, Illinois law governs the Policy.

Introduction to Your Certificate

This *Certificate* and the other Policy documents describe your Benefits, as well as your rights and responsibilities, under the Policy.

What Are Defined Terms?

Certain capitalized words have special meanings. We have defined these words in *Section 8: Defined Terms*.

When we use the words "we," "us," and "our" in this document, we are referring to UnitedHealthcare Insurance Company. When we use the words "you" and "your," we are referring to people who are Covered Persons, as that term is defined in *Section 8: Defined Terms*.

How Do You Use This Document?

Read your entire *Certificate* and any attached Riders and/or Amendments. You may not have all of the information you need by reading just one section. Keep your *Certificate* and *Schedule of Covered Vision Care Services* and any attachments in a safe place for your future reference.

Review the Benefit limitations of this *Certificate* by reading the attached *Schedule of Covered Vision Care Services* along with *Section 1: Covered Vision Care Services* and *Section 2: Exclusions and Limitations*. Read *Section 7: General Legal Provisions* to understand how this *Certificate* and your Benefits work. Call us if you have questions about the limits of the coverage available to you.

If there is a conflict between this *Certificate* and any summaries provided to you by the Group, this *Certificate* controls.

Please be aware that your Vision Provider is not responsible for knowing or communicating your Benefits.

Call us at 1-800-638-3120. Throughout the document you will find statements that encourage you to contact us for more information.

Your Responsibilities

Enrollment and Required Contributions

Benefits are available to you if you are enrolled for coverage under the Policy. Your enrollment options, and the corresponding dates that coverage begins, are listed in *Section 3: When Coverage Begins*. To be enrolled and receive Benefits, both of the following apply:

- Your enrollment must be in accordance with the requirements of the Policy issued to your Group, including the eligibility requirements.
- You must qualify as a Subscriber or a Dependent as those terms are defined in *Section 8: Defined Terms*.

Your Group may require you to make certain payments to them, in order for you to remain enrolled under the Policy. If you have questions about this, contact your Group.

Be Aware the Policy Does Not Pay for All Vision Care Services

The Policy does not pay for all vision care services. Benefits are limited to Covered Vision Care Services. The *Schedule of Covered Vision Care Services* will tell you the portion you must pay for Covered Vision Care Services.

Decide What Services You Should Receive

Care decisions are between you and your Vision Provider. We do not make decisions about the kind of care you should or should not receive.

Choose Your Vision Provider

It is your responsibility to select the vision care professionals who will deliver your care. We arrange for Vision Providers and facilities to participate in a Network. Our credentialing process confirms public information about the professionals' licenses and other credentials, but does not assure the quality of their services. These professionals and facilities are independent practitioners that are solely responsible for the care they deliver.

Pay Your Share

You must meet any applicable Deductible and pay a Co-payment and/or Co-insurance for most Covered Vision Care Services. These payments are due at the time of service or when billed by the Vision Provider. Any applicable Deductible, Co-payment and Co-insurance amounts are listed in the *Schedule of Covered Vision Care Services*. You must also pay any amount that exceeds your Benefits.

Pay the Cost of Excluded Services

You must pay the cost of all excluded services and items. Review *Section 2: Exclusions and Limitations* to become familiar with the Policy's exclusions.

File Claims with Complete and Accurate Information

When you receive Covered Vision Care Services from an out-of-Network Vision Provider, you are responsible for requesting payment from us. You must file the claim in a format that contains all of the information we require, as described in *Section 5: How to File a Claim*.

Our Responsibilities

Determine Benefits

We make administrative decisions regarding whether the Policy will pay for any portion of the cost of a vision care service you intend to receive or have received. Our decisions are for payment purposes only. We do not make decisions about the kind of care you should or should not receive.

We have the final authority to do the following:

- Interpret Benefits and the other terms, limitations and exclusions set out in this *Certificate*, the *Schedule of Covered Vision Care Services* and any Riders and/or Amendments.
- Make factual determinations relating to Benefits.

We may assign this authority to other persons or entities that may provide administrative services for the Policy, such as claims processing. The identity of the service providers and the nature of their services may be changed from time to time as we determine. In order to receive Benefits, you must cooperate with those service providers.

Pay for Our Portion of the Cost of Covered Vision Care Services

We pay Benefits for Covered Vision Care Services as described in *Section 1: Covered Vision Care Services* and in the *Schedule of Vision Care Services*, unless the service is excluded in *Section 2: Exclusions and Limitations*. This means we only pay our portion of the cost of Covered Vision Care Services. It also means that not all of the vision care services you receive may be paid for (in full or in part) by the Policy.

Pay Network Providers

It is the responsibility of Network Vision Providers and facilities to file for payment from us. When you receive Covered Vision Care Services from Network providers, you do not have to submit a claim to us.

Pay for Covered Vision Care Services Provided by Out-of-Network Providers

In accordance with any state prompt pay requirements, we pay Benefits after we receive your request for payment that includes all required information. See *Section 5: How to File a Claim*. Your cost sharing may be more when you see an out-of-Network Vision Provider.

Section 3: When Coverage Begins

How Do You Enroll?

Eligible Persons must complete an enrollment form given to them by the Group. The Group will submit the completed forms to us, along with any required Premium. We will not provide Benefits for vision care services that you receive before your effective date of coverage.

Who Is Eligible for Coverage?

The Group determines who is eligible to enroll and who qualifies as a Dependent.

Eligible Person

Eligible Person usually refers to an employee or member of the Group who meets the eligibility rules. When an Eligible Person enrolls, we refer to that person as a Subscriber. For a complete definition of Eligible Person, Group and Subscriber, see *Section 8: Defined Terms*.

Eligible Persons must live within the United States.

If both spouses/Civil Union Partners are Eligible Persons of the Group, each may enroll as a Subscriber or be covered as an Enrolled Dependent of the other, but not both.

Dependent

Dependent generally refers to the Subscriber's spouses/Civil Union Partners and children. When a Dependent enrolls, we refer to that person as an Enrolled Dependent. For a complete definition of Dependent and Enrolled Dependent, see *Section 8: Defined Terms*.

Dependents of an Eligible Person may not enroll unless the Eligible Person is also covered under the Policy.

If both parents of a Dependent child are enrolled as a Subscriber, only one parent may enroll the child as a Dependent.

When Do You Enroll and When Does Coverage Begin?

Except as described below, Eligible Persons may not enroll themselves or their Dependents.

Initial Enrollment Period

When the Group purchases coverage under the Policy from us, the Initial Enrollment Period is the first period of time when Eligible Persons can enroll themselves and their Dependents.

Coverage begins on the date shown in the Policy. We must receive the completed enrollment form and any required Premium within 31 days of the date the Eligible Person becomes eligible.

Open Enrollment Period

The Group sets the Open Enrollment Period. During the Open Enrollment Period, Eligible Persons can enroll themselves and their Dependents.

Coverage begins on the date identified by the Group. We must receive the completed enrollment form and any required Premium within 31 days of the date the Eligible Person becomes eligible.

New Eligible Persons

Coverage for a new Eligible Person and his or her Dependents begins on the date agreed to by the Group. We must receive the completed enrollment form and any required Premium within 31 days of the date the new Eligible Person first becomes eligible.

Adding New Dependents

Subscribers may enroll Dependents who join their family because of any of the following events:

- Birth.
- Legal adoption.
- Placement for adoption or pursuant to an interim court order of adoption.
- Marriage/Civil Union.
- Legal guardianship.
- Court or administrative order.
- Registering a Domestic Partner.

Coverage for the Dependent begins on the date of the event. We must receive the completed enrollment form and any required Premium within 31 days of the event.

Special Enrollment Period

An Eligible Person and/or Dependent may also be able to enroll during a special enrollment period. A special enrollment period is not available to an Eligible Person and his or her Dependents if coverage under the prior plan ended for cause, or because premiums were not paid on a timely basis.

An Eligible Person and/or Dependent does not need to elect COBRA continuation coverage to preserve special enrollment rights. Special enrollment is available to an Eligible Person and/or Dependent even if COBRA is not elected.

A special enrollment period applies to an Eligible Person and any Dependents when one of the following events occurs:

- Birth - newborns are covered from the moment of birth. Additional premium is required within 31 days in order to have coverage continue.
- Legal adoption.
- Placement for adoption or pursuant to an interim court order of adoption.
- Marriage/Civil Union.
- Registering a Domestic Partner.

A special enrollment period also applies for an Eligible Person and/or Dependent who did not enroll during the Initial Enrollment Period or Open Enrollment Period if any of the following are true:

- The Eligible Person previously declined coverage under the Policy, but the Eligible Person and/or Dependent becomes eligible for a premium assistance subsidy under *Medicaid* or *Children's Health Insurance Program (CHIP)*. Coverage will begin only if we receive the completed enrollment form and any required Premium within 60 days of the date of determination of subsidy eligibility.

- The Eligible Person and/or Dependent had existing vision coverage under another plan at the time they had an opportunity to enroll during the Initial Enrollment Period or Open Enrollment Period and coverage under the prior plan ended because of any of the following:
 - Loss of eligibility (including legal separation, divorce or death).
 - The employer stopped paying the contributions. This is true even if the Eligible Person and/or Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer.
 - In the case of COBRA continuation coverage, the coverage ended.
 - The plan no longer offers benefits to a class of individuals that includes the Eligible Person and/or Dependent.
 - The Eligible Person and/or Dependent loses eligibility under *Medicaid* or *Children's Health Insurance Program (CHIP)*. Coverage will begin only if we receive the completed enrollment form and any required Premium within 60 days of the date coverage ended.

When an event takes place (for example, a birth, marriage or determination of eligibility for state subsidy), coverage begins on the date of the event. We must receive the completed enrollment form and any required Premium within 31 days of the event unless otherwise noted above.

For an Eligible Person and/or Dependent who did not enroll during the Initial Enrollment Period or Open Enrollment Period because they had existing health coverage under another plan, coverage begins on the day following the day coverage under the prior plan ends. Except as otherwise noted above, coverage will begin only if we receive the completed enrollment form and any required Premium within 31 days of the date coverage under the prior plan ended.

Section 4: When Coverage Ends

General Information about When Coverage Ends

As permitted by law, we may end the Policy and/or all similar benefit plans at any time for the reasons explained in the Policy.

Your right to Benefits automatically ends on the date that coverage ends. When your coverage ends, we will still pay claims for Covered Vision Care Services that you received before the date your coverage ended. However, once your coverage ends, we will not pay claims for any vision care services received after that date.

Unless otherwise stated, an Enrolled Dependent's coverage ends on the date the Subscriber's coverage ends.

What Events End Your Coverage?

Coverage ends on the earliest of the dates specified below:

- **The Entire Policy Ends**

Your coverage ends on the date the Policy ends. In this event, the Group is responsible for notifying you that your coverage has ended.

- **You Are No Longer Eligible**

Your coverage ends on the last day of the calendar month in which you are no longer eligible to be a Subscriber or Enrolled Dependent. Please refer to *Section 8: Defined Terms* for definitions of the terms "Eligible Person," "Subscriber," "Dependent" and "Enrolled Dependent."

- **We Receive Notice to End Coverage**

The Group is responsible for providing the required notice to us to end your coverage. Your coverage ends on the last day of the calendar month in which we receive the required notice from the Group to end your coverage, or on the date requested in the notice, if later.

- **Subscriber Retires or Is Pensioned**

The Group is responsible for providing the required notice to us to end your coverage. Your coverage ends the last day of the calendar month in which the Subscriber is retired or receiving benefits under the Group's pension or retirement plan.

This provision applies unless there is specific coverage classification for retired or pensioned persons in the Group's *Application*, and only if the Subscriber continues to meet any applicable eligibility requirements. The Group can provide you with specific information about what coverage is available for retirees.

REINSTATEMENT OF COVERAGE. If a Covered Employee's Vision Coverage terminates due to one of the following breaks in service, he or she will be entitled to reinstate the coverage upon resuming Active Work with the Group Policyholder within the required timeframe. Upon qualifying for reinstatement, the Company will waive any applicable Eligibility Waiting Period, new Late Entrant Limitation Period, or new Benefit Waiting Period. Reinstatement will be effective on the first day of the Insurance month following the date the Covered Employee returns to Active Work.

The Company will reinstate Vision Coverage as follows:

- A. Vision Coverage may be reinstated if a Covered Employee:

1. Is employed with the Group Policyholder for a period that exceeds the duration they are away following termination of employment; and
2. returns to Active Work with the Group Policyholder in fewer than 31 days from the date of termination.

Reinstated, for purposes of this item 1, means re-enrollment with the same benefits that were previously in-force at the time of termination.

B. Vision Coverage may be reinstated if a Covered Employee:

1. Is employed with the Group Policyholder for a period that exceeds the duration they are away following of employment; and
2. returns to Active Work with the Group Policyholder between 31 days and 13 weeks from the date of termination.

Reinstated, for purposes of this item 2, means a period of 31 days during which the Covered Employee may enroll for Dental Coverage.

Fraud or Intentional Misrepresentation of a Material Fact

We will provide at least 30 days advance required notice to the Subscriber that coverage will end on the date we identify in the notice because you committed an act, practice, or omission that constituted fraud, or an intentional misrepresentation of a material fact. Examples include knowingly providing incorrect information relating to another person's eligibility or status as a Dependent. You may appeal this decision during the notice period. The notice will contain information on how to appeal the decision.

If we find that you have performed an act, practice, or omission that constitutes fraud, or have made an intentional misrepresentation of material fact we have the right to demand that you pay back all Benefits we paid to you, or paid in your name, during the time you were incorrectly covered under the Policy.

Coverage for a Disabled Dependent Child

Coverage for an unmarried Enrolled Dependent child who is disabled will not end just because the child has reached a certain age. We will extend the coverage for that child beyond this age if both of the following are true:

- The Enrolled Dependent child is not able to support him/herself because of mental or physical disability.
- The Enrolled Dependent child depends mainly on the Subscriber for support.

Coverage will continue as long as the Enrolled Dependent child is medically certified as disabled and dependent unless coverage otherwise ends in accordance with the terms of the Policy.

You must furnish us with proof of the medical certification of disability within 31 days of the date coverage would have ended because the child reached a certain age. Before we agree to this extension of coverage for the child, we may require that a Physician we choose examine the child. We will pay for that examination.

We may continue to ask you for proof that the child continues to be disabled and dependent. Such proof might include medical exams at our expense. We will not ask for this information more than once a year.

If you do not provide proof of the child's disability and dependency within 31 days of our request as described above, coverage for that child will end.

Extended Coverage for Total Disability

Coverage when you have a Total Disability on the date the entire Policy ends will not end automatically. We will extend the coverage, only for treatment of the condition causing the Total Disability. Benefits will be paid until the earlier of either the following:

- The Total Disability ends
- Twelve months from the date coverage would have ended when the entire Policy ends.

Continuation of Coverage

If your coverage ends under the Policy, you may have the right to elect continuation coverage (coverage that continues on in some form) in accordance with federal law.

Continuation coverage under *COBRA* (the federal *Consolidated Omnibus Budget Reconciliation Act*) is available only to Groups that are subject to the terms of *COBRA*. Contact your plan administrator to find out if your Group is subject to the provisions of *COBRA*.

If you chose continuation coverage under a prior plan which was then replaced by coverage under the Policy, continuation coverage will end as scheduled under the prior plan or in accordance with federal or state law, whichever is earlier.

We are not the Group's designated "plan administrator" as that term is used in federal law, and we do not assume any responsibilities of a "plan administrator" according to federal law.

We are not obligated to provide continuation coverage to you if the Group or its plan administrator fails to perform its responsibilities under federal law. Examples of the responsibilities of the Group or its plan administrator are:

- Notifying you in a timely manner of the right to elect continuation coverage.
- Notifying us in a timely manner of your election of continuation coverage.
- Divorce or legal separation of the Subscriber.
- Loss of eligibility by an Enrolled Dependent who is a child.

Form from the Group's plan administrator and, once election is made, forward any monthly premiums to the Group for payment to us.

Continuation of Vision Insurance for Spouse/Former Spouse and Dependents

Continuation of vision insurance is available to your spouse/Civil Union Partner or former spouse/Civil Union Partner and any insured dependents in the event of dissolution of your marriage/civil union/partnership, your death, or your retirement.

Within 30 days of your divorce/dissolution, death or retirement, the Spouse/Civil Union Partner who wants to continue coverage must give written notice to your Covered Employer and the Claims Administrator. Your Covered Employer must notify the Claims Administrator within 15 days from receipt of notice and also send a copy of the notice to your Spouse/Civil Union Partner or former Spouse/Civil Union Partner at your Spouse/Civil Union Partner's or former Spouse's/Civil Union Partner's place of residence.

We must provide, by certified mail, return receipt requested, notification to your spouse or former Spouse/Civil Union Partner that the Policy may be continued and the notice shall include:

1. a form for election to continue the insurance coverage;

2. the premium amount and method and place of payment;
3. instructions for returning the election form by certified mail, return receipt requested, within 30 days after the date the notice was mailed by the Claims Administrator.

Failure of your Spouse/Civil Union Partner or former Spouse/Civil Union Partner to exercise the election to continue insurance coverage by notifying the Claims Administrator by certified mail, return receipt requested, within 30 days shall terminate the right to continuation under the Policy.

If We fail to notify your Spouse/Civil Union Partner or former Spouse/Civil Union Partner of the rights to continuation, all premiums shall be waived from the date the notice was required until the date the notice is sent. Benefits will continue during this period unless coverage is terminated for all employees of your Covered Employer or former Covered Employer.

For Spouse/Civil Union Partner or Former Spouse/Civil Union Partner Under Age 55

Premium will be based on the following:

1. an amount, if any that would be charged to an Eligible Employee if the Spouse/Civil Union Partner or former Spouse/Civil Union Partner were a current Eligible Employee of the Covered Employer, plus;
2. an amount, if any, that the Covered Employer would contribute toward the premium if the Spouse/Civil Union Partner or former Spouse/Civil Union Partner were a current Eligible Employee of the Covered Employer.

Failure to pay the initial premium within 30 days after the notice is received terminates the continuation of benefits and the right to continuation benefits under the Policy.

Coverage terminates when the first of the following events occurs:

1. the failure to pay premiums when due, including any grace period allowed by the Policy; or
2. when coverage would terminate under the terms of the existing Policy if you and your former Spouse/Civil Union Partner were still married to each other; however, the existing coverage shall not be modified or terminated during the first 120 consecutive days following your death or the date of divorce, unless the Policy in existence at the time is modified or terminated as to all Eligible Employees of your Covered Employer; or
3. the date the former Spouse/Civil Union Partner first becomes an insured employee under any other group vision plan; or
4. the date on which the former Spouse/Civil Union Partner remarries; or
5. the expiration of two years from the date coverage began under this continuation provision.

Upon termination of coverage under this provision, the former Spouse/Civil Union Partner shall be entitled to convert to a converted policy as stated under the Vision Insurance Conversion Privilege for Spouse/Civil Union Partner or Former Spouse/Civil Union Partner and Dependents section of the Certificate.

For Spouse/Civil Union Partner or Former Spouse/Civil Union Partner Over Age 55

Premium will be based on the following:

1. an amount, if any, that would be charged an Eligible Employee if the retired Eligible Employee's Spouse/Civil Union Partner or former Spouse/Civil Union Partner were a current Eligible Employee of the Covered Employer, plus;
2. an amount, if any, that the Covered Employer would contribute toward this premium if the retired Eligible Employee's Spouse/Civil Union Partner or former Spouse/Civil Union Partner were a current Eligible Employee.

Beginning two years after coverage begins, the premium would be computed the same as above with the exception of charging an additional amount, not to exceed 20% of the total amount above, for costs of administration.

Failure to pay the initial premium within 30 days after the notice is received terminates the continuation of benefits and the right to continuation benefits under the Policy.

The right granted to retired Eligible Employees' Spouse/Civil Union Partners and former Spouse/Civil Union Partners who have attained the age of 55 at the time coverage begins under this provision shall terminate when the first of the following events occurs:

1. the failure to pay premiums when due, including any grace period allowed by the Policy; or
2. when coverage would terminate, except due to the your retirement, under the terms of the existing Policy if you and your former Spouse/Civil Union Partner were still married to each other; however, the existing coverage shall not be modified or terminated during the first 120 consecutive days following your death or retirement or the date of divorce, unless the Policy in existence at the time is modified or terminated as to all Eligible Employees; or
3. the date the retired Eligible Employee's Spouse/Civil Union Partner or former Spouse/Civil Union Partner first becomes an insured Eligible Employee under any other group vision plan; or
4. the date on which the former Spouse/Civil Union Partner remarries; or
5. the date the person reaches the qualifying age or otherwise establishes eligibility under Medicare.

Upon termination of coverage under this provision, the former Spouse/Civil Union Partner shall be entitled to convert to an individual policy as stated under the Vision Insurance Conversion Privilege for Spouse/Civil Union Partner/Former Spouse/Civil Union Partner and Dependents section of the Certificate.

A new insurer must offer continuation to the retired Eligible Employee's Spouse/Civil Union Partner and to an Eligible Employee's former Spouse/Civil Union Partner under the same terms and conditions contained in this provision if the following apply:

1. the Policy is cancelled;
2. another insurance company contracts to provide group vision insurance to the Covered Employer;
3. continuation coverage is in effect for the retired Eligible Employee's Spouse/Civil Union Partner or former Spouse/Civil Union Partner at the time of cancellation;
4. the Eligible Employee is or would have been included under the new group policy.

No person who obtains coverage under this provision shall be required to pay a rate greater than that applicable to any employee covered under the group with the exception of the additional amount, not to exceed 20% of the calculated premium beginning two years after conversion begins, for costs of administration.

If Your continuation described above has expired, You and any insured dependents have the right to apply for a conversion plan.

You cannot convert if You become eligible for vision insurance under another group policy within 31 days from the date insurance under this Policy ends.

We may not allow You to convert if We determine You have other coverage similar to the conversion plan, which together results in over insurance. We use Our own standards for over insurance to determine this.

The conversion plan will continue to apply any waiting period of this Policy, as if insurance under this Policy were still in force.

Any benefits that are optional to the group vision insurance plan from which You are converting will not be included in the individual conversion plan.

HOW TO APPLY

You must apply to the Claims Administrator for the conversion plan within 31 days from the date the continuation insurance ends under the Policy. We do not require evidence of insurability. The plan is effective on the day immediately following the date the continuation insurance ends.

The plan will be issued on the type of form then being issued by Us for conversion. Premium must be paid with the application. Premiums are based on the type of coverage and Your age on the date You convert.

Section 5: How to File a Claim

How Are Covered Vision Care Services from Network Providers Paid?

We pay Network providers directly for your Covered Vision Care Services. If a Network provider bills you for any Covered Vision Care Service, contact us. However, you are required to meet any applicable Deductible and to pay any required Co-payments and/or Co-insurance to a Network provider. You will also be responsible for any charges that are not covered by the Policy to your Vision Provider.

How Are Covered Vision Care Services from an Out-of-Network Provider Paid?

When you receive Covered Vision Care Services from an out-of-Network provider you will be required to pay all billed charges to your Vision Provider. You are also responsible for requesting payment from us. You must file the claim in a format that contains all of the information we require, as described below.

You should submit a request for payment of Benefits within 90 days after the date of service. If you don't provide this information to us within one year of the date of service, Benefits for that vision care service will be denied or reduced, as determined by us. This time limit does not apply if you are legally incapacitated.

Required Information

When you request payment of Benefits from us, you must provide us with all of the following information:

- The Subscriber's name and address.
- The patient's name and age.
- Your identification number.
- The name and address of the provider of the service(s).
- An itemized bill from your provider that includes a description of each charge.

The above information should be filed with us at Claims Department, PO Box 30978, Salt Lake City, UT 84130 or by fax to 248-733-6060. If you would like to use a claim form, you may access a form on the Internet at www.myuhcvision.com or call us at 1-800-638-3120 and a claim form will be provided to you.

Time Payment of Claims

Claims payable under the terms of this policy shall be paid within 30 days following receipt by the company of due proof of loss. Failure to pay within such period shall entitle the insured to interest at the rate of 9 per cent per annum from the 30th day after receipt of such proof of loss to the date of late payment, provided that interest amounting to less than one dollar need not be paid. An insured or an insured's assignee shall be notified by the company of any known failure to provide sufficient documentation for a due proof of loss within 30 days after receipt of the claim. Any required interest payments shall be made within 30 days after the payment.

Payment of Benefits

If you provide written authorization to allow this, all or a portion of Benefits due to a provider may be paid directly to the provider instead of being paid to the Subscriber. We will not reimburse third parties that have purchased or been assigned benefits by Physicians or other Vision Providers.

Benefits will be paid to you unless either of the following is true:

- The Vision Provider notifies us that your signature is on file, assigning benefits directly to that provider.
- You make a written request at the time you submit your claim.

Payment of Benefits under the Policy shall be in cash or cash equivalents, or in a form of other consideration that we determine to be adequate. Where Benefits are payable directly to a provider, such adequate consideration includes the forgiveness in whole or in part of the amount the provider owes us, or to other plans for which we make payments where we have taken an assignment of the other plans' recovery rights for value.

Obtaining Services

To find a Network Vision Provider, you may access a listing of Network Vision Providers on the Internet at www.myuhcvision.com. You may also call the UnitedHealthcare Provider Locator Service at 1-800-839-3242.

You also may obtain Vision Care Services from an out-of-Network Vision Provider. However, the amount of Benefits may be reduced.

Foreign Services

Foreign Services will be treated as Out-of-Network Benefits under this Policy. Payments will be made in U.S. currency and dispersed to the U.S. address of the Subscriber. We make no guarantee on value of payment and will not protect against currency risk. Currency valuations for payment liability will be based on exchange rates published on the date the Vision Care Services were rendered.

- For appeals of Benefits, the appeal will take place and you will be notified of the decision within 30 days from receipt of a request for appeal of a denied request for Benefits.

Section 7: General Legal Provisions

What Is Your Relationship with Us?

It is important for you to understand our role with respect to the Group's Policy and how it may affect you. We help finance or administer the Group's Policy in which you are enrolled. We do not provide vision services or make treatment decisions. This means:

- We communicate to you decisions about whether the Group's Policy will cover or pay for the vision care that you may receive. The Policy pays for Covered Vision Care Services, which are more fully described in this *Certificate*.
- The Policy may not pay for all vision services or materials you or your Vision Provider may believe are needed. If the Policy does not pay, you will be responsible for the cost.

We may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. We will use individually identifiable information about you as permitted or required by law, including in our operations and in our research. We will use de-identified data for commercial purposes including research.

Please refer to our *Notice of Privacy Practices* for details.

What Is Our Relationship with Providers and Groups?

The relationships between us and Network Vision Providers and Groups are solely contractual relationships between independent contractors. Network Vision Providers and Groups are not our agents or employees. Neither we nor any of our employees are agents or employees of Network Vision Providers or the Groups.

We do not provide vision care services or materials. We arrange for vision providers to participate in a Network and we pay Benefits. Network Vision Providers are independent practitioners who run their own offices and facilities. Our credentialing process confirms public information about the providers' licenses and other credentials. It does not assure the quality of the services provided. They are not our employees nor do we have any other relationship with Network vision providers such as principal-agent or joint venture. We are not responsible for any act or omission of any vision provider.

We are not considered to be an employer for any purpose with respect to the administration or provision of benefits under the Group's Policy. We are not responsible for fulfilling any duties or obligations of an employer with respect to the Group's Policy.

The Group is solely responsible for all of the following:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of the Policy Charge to us.
- Notifying you of when the Policy ends.

When the Group purchases the Policy to provide coverage under a benefit plan governed by the *Employee Retirement Income Security Act* ("ERISA"), 29 U.S.C. §1001 et seq., we are not the plan administrator or named fiduciary of the benefit plan, as those terms are used in ERISA. If you have questions about your welfare benefit plan, you should contact the Group. If you have any questions about this statement or about your rights under ERISA, contact the nearest area office of the *Employee Benefits Security Administration, U. S. Department of Labor*.

What Is Your Relationship with Providers and Groups?

The relationship between you and any vision provider is that of provider and patient.

You are responsible for all of the following:

- Choosing your own Vision Provider.
- Paying, directly to your Vision Provider, any amount identified as a member responsibility, including Co-payments, Co-insurance, any Deductible and any amount that exceeds your Benefits.
- Paying, directly to your Vision Provider, the cost of any non-Covered Vision Care Service.
- Deciding if any Vision Provider treating you is right for you. This includes Network Vision Providers you choose and vision providers that they refer.
- Deciding with your Vision Provider what care you should receive.
- Paying all billed charges, directly to your out-of-Network provider.

Your Vision Provider is solely responsible for the quality of the services provided to you.

The relationship between you and the Group is that of employer and employee, Dependent or other classification as defined in the Policy.

Notice

When we provide written notice regarding administration of the Policy to an authorized representative of the Group, that notice is deemed notice to all affected Subscribers and their Enrolled Dependents. The Group is responsible for giving notice to you.

How Do We Use Headings?

The headings, titles and any table of contents contained in the Policy, *Certificate* or *Schedule of Covered Vision Care Services* are for reference purposes only and shall not in any way affect the meaning or interpretation of the Policy, *Certificate* or *Schedule of Covered Vision Care Services*.

Statements by Group or Subscriber

All statements made by the Group or by a Subscriber shall, in the absence of fraud, be deemed representations and not warranties. We will not use any statement made by the Group to void the Policy after it has been in force for two years unless it is a fraudulent statement.

Are Incentives Available to You?

Sometimes we may offer coupons, enhanced Benefits, or other incentives to encourage you to take part in various programs, including wellness programs, certain disease management programs, surveys, discount programs and/or programs to seek care in a more cost effective setting. In some instances, these programs may be offered in combination with a non-UnitedHealthcare entity. The decision about whether or not to take part in a program is yours alone. However, we recommend that you discuss taking part in such programs with your Vision Provider. Contact us at www.myuhcvision.com or contact us at 1-800-638-3120 if you have any questions.

Who Interprets Benefits and Other Provisions under the Policy?

We have the final authority to do all of the following:

- Interpret Benefits under the Policy.
- Interpret the other terms, conditions, limitations and exclusions set out in the Policy, including this *Certificate*, the *Schedule of Covered Vision Care Services* and any Riders and/or Amendments.
- Make factual determinations related to the Policy and its Benefits.

We may assign this authority to other persons or entities that provide services in regard to the administration of the Policy.

In certain circumstances, for purposes of overall cost savings or efficiency, we may offer Benefits for services that would otherwise not be Covered Vision Care Services. The fact that we do so in any particular case shall not in any way be deemed to require us to do so in other similar cases.

Who Provides Administrative Services?

We provide administrative services or, as we determine, we may arrange for various persons or entities to provide administrative services, such as claims processing. The identity of the service providers and the nature of the services they provide may be changed from time to time as we determine. We are not required to give you prior notice of any such change, nor are we required to obtain your approval. You must cooperate with those persons or entities in the performance of their responsibilities.

Amendments to the Policy

To the extent permitted by law, we have the right, as we determine and without your approval, to change, interpret, withdraw or add Benefits or end the Policy.

Any provision of the Policy which, on its effective date, is in conflict with the requirements of state or federal statutes or regulations (of the jurisdiction in which the Policy is delivered) is amended to conform to the minimum requirements of such statutes and regulations.

No other change may be made to the Policy unless it is made by an Amendment or Rider which has been signed by one of our officers and consistent with applicable notice requirements. All of the following conditions apply:

- Amendments and Riders to the Policy are effective upon the Group's next anniversary date, except as otherwise permitted by law.
- No agent has the authority to change the Policy or to waive any of its provisions.
- No one has authority to make any oral changes or amendments to the Policy.

How Do We Use Information and Records?

We may use your individually identifiable health information as follows:

- To administer the Policy and pay claims.
- To identify procedures, products, or services that you may find valuable.
- As otherwise permitted or required by law.

We may request additional information from you to decide your claim for Benefits. We will keep this information confidential. We may also use de-identified data for commercial purposes, including research, as permitted by law. More detail about how we may use or disclose your information is found in our *Notice of Privacy Practices*.

By accepting Benefits under the Policy, you authorize and direct any person or institution that has provided services to you to furnish us with all information or copies of records relating to the services provided to you. We have the right to request this information at any reasonable time. This applies to all Covered Persons, including Enrolled Dependents whether or not they have signed the Subscriber's enrollment form. We agree that such information and records will be considered confidential.

We have the right to release records concerning vision care services when any of the following apply:

- Needed to put in place and administer the terms of the Policy.
- Needed for review or quality assessment.
- Required by law or regulation.

During and after the term of the Policy, we and our related entities may use and transfer the information gathered under the Policy in a de-identified format for commercial purposes, including research and analytic purposes. Please refer to our *Notice of Privacy Practices*.

For complete listings of your vision records or billing statements you may contact your Vision Provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request vision forms or records from us, we also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, as permitted by law, we will designate other persons or entities to request records or information from or related to you, and to release those records as needed. Our designees have the same rights to this information as we have.

Do We Require Examination of Covered Persons?

In the event of a question or dispute regarding your right to Benefits, we may require that a Network Vision Provider of our choice examine you at our expense.

Is Workers' Compensation Affected?

Benefits provided under the Policy do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Subrogation and Reimbursement

We are assigned the right to recover from the negligent third party, or his or her insurer, to the extent of the Benefits we paid for that sickness or injury. You are required to furnish any information or assistance, or provide any documents that we may reasonably require in order to exercise our rights under this provision. This provision applies whether or not the third party admits liability.

If a Covered Person recovers expenses for sickness or injury that occurred due to the negligence of a third party, we have the right to reimbursement for all Benefits we paid from any and all damages collected from the negligent third party for those same expenses whether by action at law, settlement, or compromise, by the Covered Person, Covered Person's Parents if the Covered Person is a minor, or Covered Person's legal representative as a result of that sickness or injury. You are required to furnish any information or assistance, or provide any documents that we may reasonably require in order to exercise our rights under this provision. This provision applies whether or not the third party admits liability.

When Do We Receive Refunds of Overpayments?

If we pay Benefits for expenses incurred on your account, you, or any other person or organization that was paid, must make a refund to us if any of the following apply:

- All or some of the expenses were not paid or did not legally have to be paid by you.
- All or some of the payment we made exceeded the Benefits under the Policy.
- All or some of the payment was made in error.

The refund equals the amount we paid in excess of the amount we should have paid under the Policy. If the refund is due from another person or organization, you agree to help us get the refund when requested.

If the refund is due from you and you do not promptly refund the full amount, we may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, your future Benefits that are payable under the Policy. If the refund is due from a person or organization other than you, we may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part; (i) future Benefits that are payable in connection with services provided to other Covered Persons under the Policy; or (ii) future Benefits that are payment in connection with services provided to persons under other plans for which we make payments, pursuant to a transaction in which our overpayment recovery rights are assigned to such other plans in exchange for such plans' remittance of the amount of the reallocated payment.

The reductions will equal the amount of the required refund. We may have other rights in addition to the right to reduce future benefits.

Is There a Limitation of Action?

You cannot bring any legal action against us to recover reimbursement until you have completed all the steps in the appeal process described in *Section 6: Questions, Complaints and Appeals*. After completing that process, if you want to bring a legal action against us you must do so within three years of the date we notified you of our final decision on your appeal or you lose any rights to bring such an action against us.

What Is the Entire Policy?

The Policy, this *Certificate*, the *Schedule of Covered Vision Care Services*, the Group's *Application* and any Riders and/or Amendments, constitutes the entire contract of insurance and no change is valid unless approved by an executive officer of the company and unless such approval be endorsed hereon or attached hereto.

Please Note: Any podiatrist, dentist, psychologist, chiropractor, optometrist, or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. Claims and Appeal Notice

This Notice is provided to you in order to describe our responsibilities under Federal law for making benefit determinations and your right to appeal adverse benefit determinations. To the extent that state law provides you with more generous timelines or opportunities for appeal, those rights also apply to you. Please refer to your benefit documents for information about your rights under state law.

How to Request an Appeal

If you disagree with a claim determination or a rescission of coverage determination, you can contact us in writing to request an appeal.

Your request for an appeal should include:

- The patient's name and Policy number.
- The date(s) of Vision Service(s).
- The provider's name.
- The reason you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.

Your appeal request must be submitted to us within 180 days after you receive the claim denial.

Appeal Process

A qualified individual who was not involved in the decision being appealed will be chosen to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a Vision care professional with experience in the field, who was not involved in the prior determination. We may consult with, or ask vision experts to take part in the appeal process. You consent to this referral and the sharing of needed vision claim information. Upon request and free of charge, you have the right to reasonable access to and copies of all documents, records and other information related to your claim for Benefits. If any new or additional evidence is relied upon or generated by us during the determination of the appeal, we will provide it to you free of charge and in advance of the due date of the response to the adverse benefit determination.

Appeals Determinations

You will be provided written or electronic notification of the decision on your appeal as follows:

- For appeals of Benefits, the appeal will take place and you will be notified of the decision within 30 days from receipt of a request for appeal of a denied request for Benefits.

Please note that our decision is based only on whether or not Benefits are available under the Policy for the proposed treatment or procedure.

You may have the right to external review through an *Independent Review Organization (IRO)* upon the completion of the internal appeal process. Instructions regarding any such rights, and how to access those rights, will be provided in our decision letter to you.

MEDICAL INFORMATION PRIVACY NOTICE

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY.

Effective January 1, 2019

We are also required to send you this notice, which explains how we may use information about you and when we can give out or "disclose" that information to others. You also have rights regarding your health information that are described in this notice. We are required by law to abide by the terms of this notice.

The terms "information" or "health information" in this notice include any information we maintain that reasonably can be used to identify you and that relates to your physical or mental health care condition, the provision of health care to you, or the payment for such health care. We will comply with the requirements of applicable privacy laws related to notifying you in the event of a breach of your health information.

We have the right to change our privacy practices and the terms of this notice. If we make a material change to our privacy practices, we will provide to you, in our next annual distribution, either a revised notice or information about the material change and how to obtain a revised notice. We will provide you with this information either by direct mail or electronically, in accordance with applicable law. In all cases, if we maintain a website for your particular vision plan, we will post the revised notice on your vision plan website, such as www.myuhcvision.com. We have the right to make any revised or changed notice effective for information we already have and for information that we receive in the future.

UnitedHealth Group collects and maintains oral, written and electronic information to administer our business and to provide products, services and information of importance to our enrollees. We maintain physical, electronic and procedural security safeguards in the handling and maintenance of our enrollee information, in accordance with applicable state and federal standards, to protect against risks such as loss, destruction or misuse.

- To you or someone who has the legal right to act for you (your personal representative) in order to administer your rights as described in this notice.
- To the *Secretary of the Department of Health and Human Services*, if necessary, to make sure your privacy is protected.

We have the right to use and disclose health information for your treatment, to pay for your health care and to operate our business. For example, we may use or disclose your health information:

- **For Payment** of premiums due us, to determine your coverage, and to process claims for health care services you receive, including for subrogation or coordination of other benefits you may have. - **For Health Care Operations.** We may use or disclose health information as needed to operate and manage our business activities related to providing and managing your health care coverage. For example, we might talk to your physician to suggest a disease management or wellness program that could help improve your health or we may analyze data to determine how we can improve our services. We may also de-identify health information in accordance with applicable laws. After that information is de-identified, the information is no longer subject to this notice and we may use the information for any lawful purpose.
- **To Provide You Information on Health Related Programs or Products** such as alternative medical treatments and programs or about health-related products and services, subject to limits imposed by law.
- **For Plan Sponsors.** If your coverage is through an employer sponsored group health plan, we may share summary health information and enrollment and disenrollment information with the plan sponsor. In addition, we may share other health information with the plan sponsor for plan administration if the plan sponsor agrees to special restrictions on its use and disclosure of the information in accordance with federal law.

If you are unavailable or unable to object, we will use our best judgment to decide if the disclosure is in your best interests. Special rules apply regarding when we may disclose health information to family members and others involved in a deceased individual's care. We may disclose health information to any persons involved, prior to the death, in the care or payment for care of a deceased individual, unless we are aware that doing so would be inconsistent with a preference previously expressed by the deceased.

- **To Correctional Institutions or Law Enforcement Officials** if you are an inmate of a correctional institution or under the custody of a law enforcement official, but only if needed (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) for the safety and security of the correctional institution.
- **To Business Associates** that perform functions on our behalf or provide us with services if the information is needed for such functions or services. Our business associates are required, under contract with us and according to federal law, to protect the privacy of your information and are not allowed to use or disclose any information other than as shown in our contract as permitted by federal law.
- **Additional Restrictions on Use and Disclosure.** Certain federal and state laws may require special privacy protections that restrict the use and disclosure of certain health information, including highly confidential information about you. Except for uses and disclosures described and limited as stated in this notice, we will use and disclose your health information only with a written authorization from you. This includes, except for limited circumstances allowed by federal privacy law, not using or disclosing psychotherapy notes about you,

selling your health information to others, or using or disclosing your health information for certain promotional communications that are prohibited marketing communications under federal law, without your written authorization. Once you give us authorization to release your health information, we cannot guarantee that the recipient to whom the information is provided will not disclose the information. You may take back or "revoke" your written authorization at any time in writing, except if we have already acted based on your authorization. To find out where to mail your written authorization and how to revoke an authorization, call the phone number listed on your vision plan ID card.

- **You have the right to ask to restrict** uses or disclosures of your information for treatment, payment, or health care operations. You also have the right to ask to restrict disclosures to family members or to others who are involved in your health care or payment for your health care. We may also have policies on dependent access that authorize your dependents to request certain restrictions. **Please note that while we will try to honor your request and will permit requests consistent with our policies, we are not required to agree to any restriction.**
- **You have the right to ask to receive confidential communications** of information in a different manner or at a different place (for example, by sending information to a P.O. Box instead of your home address). We will accommodate reasonable requests where a disclosure of all or part of your health information otherwise could endanger you. In certain circumstances, we will accept your verbal request to receive confidential communications, however; we may also require you confirm your request in writing. In addition, any requests to change or cancel a previous confidential communication request must be made in writing. Mail your request to the address listed below.
- **You have the right to see and get a copy** of certain health information we maintain about you such as claims and case or medical management records. You can also request that we provide a copy of your information to a third party that you identify. In some cases, you may receive a summary of this health information. You must make a written request to inspect and copy your health information or have your information sent to a third party. Mail your request to the address listed below. In certain limited circumstances, we may deny your request to inspect and copy your health information. If we deny your request, you may have the right to have the denial reviewed. We may charge a reasonable fee for any copies.

Your request must be in writing and provide the reasons for the requested amendment. Mail your request to the address listed below. If we deny your request, you may have a statement of your disagreement added to your health information.

This accounting will not include disclosures of information made: (i) for treatment, payment, and health care operations purposes; (ii) to you or according to your authorization; and (iii) to correctional institutions or law enforcement officials; and (iv) other disclosures for which federal law does not require us to provide an accounting.

FINANCIAL INFORMATION PRIVACY NOTICE

THIS NOTICE DESCRIBES HOW FINANCIAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED.

PLEASE REVIEW IT CAREFULLY.

Effective January 1, 2019

We³ are committed to maintaining the confidentiality of your personal financial information. For the purposes of this notice, "personal financial information" means information, other than health information, about an enrollee or an applicant for health care coverage that identifies the individual, is not generally publicly available and is collected from the individual or is obtained in connection with providing health care coverage to the individual.

Information We Collect

Depending upon the product or service you have with us, we may collect personal financial information about you from the following sources:

- Information we receive from you on applications or other forms, such as name, address, age, medical information and *Social Security* number.
- Information about your transactions with us, our affiliates or others, such as premium payment and claims history.
- Information from a consumer reporting agency.

Disclosure of Information

We do not disclose personal financial information about our enrollees or former enrollees to any third party, except as required or permitted by law. For example, in the course of our general business practices, we may, as permitted by law, disclose any of the personal financial information that we collect about you without your authorization, to the following types of institutions:

- To our corporate affiliates, which include financial service providers, such as other insurers, and non-financial companies, such as data processors.
- To nonaffiliated companies for our everyday business purposes, such as to process your transactions, maintain your account(s), or respond to court orders and legal investigations.
- To nonaffiliated companies that perform services for us, including sending promotional communications on our behalf.

Confidentiality and Security

We maintain physical, electronic and procedural safeguards in accordance with applicable state and federal standards to protect your personal financial information against risks such as loss, destruction or misuse. These measures include computer safeguards, secured files and buildings, and restrictions on who may access your personal financial information.

³*For purposes of this Financial Information Privacy Notice, "we" or "us" refers to the entities listed in footnote 2, beginning on the first page of the Vision Plan Notices of Privacy Practices, plus the following UnitedHealthcare affiliate: Spectera, Inc. This Financial Information Privacy Notice only applies where required by law. Specifically, it does not apply to any other UnitedHealth Group health plans in states that*

Statement of Employee Retirement Income Security Act of 1974 (ERISA) Rights

As a participant in the plan, you are entitled to certain rights and protections under the *Employee Retirement Income Security Act of 1974 (ERISA)*.

Receive Information about Your Plan and Benefits

You are entitled to examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series), if applicable, filed by the plan with the *U.S. Department of Labor* and available at the *Public Disclosure Room* of the *Employee Benefits Security Administration*.

You are entitled to get, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), if applicable and updated *Summary Plan Description*. The Plan Administrator may make a reasonable charge for the copies.

Continue Group Health Plan Coverage

You are entitled to continue health care coverage for yourself, spouse or Dependents if there is a loss of coverage under the plan due to a qualifying event. You or your Dependents may have to pay for such coverage. The Plan Sponsor is responsible for providing you notice of your *Consolidated Omnibus Budget Reconciliation Act (COBRA)* continuation rights. Review the *Summary Plan Description* and the documents governing the plan on the rules governing your *COBRA* continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, *ERISA* imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under *ERISA*.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to get copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under *ERISA*, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$156 a day (subject to adjustment based on inflation) until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for Benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the *U.S. Department of Labor*, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person

you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under *ERISA*, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the *Employee Benefits Security Administration, U.S. Department of Labor* listed in your telephone directory or the *Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor*, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also get certain publications about your rights and responsibilities under *ERISA* by calling the publication hotline of the *Employee Benefits Security Administration*.

Person designated as Agent for Service of Legal Process: Plan Administrator

Discretionary Authority of Plan Administrator and Other Plan Fiduciaries: The Plan Administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for benefits in accordance with the terms of the Plan. Any interpretation or determination made according to such discretionary authority shall be given deference and be legally binding on all parties and subject to review by a legal authority only to the extent the decision was arbitrary and capricious.

Source of Contributions and Funding under the Plan: There are no contributions to the Plan. Any required employee contributions are used to partially reimburse the Plan Sponsor for Premiums under the Plan. Benefits under the Plan are funded by the payment of Premium required by the group Policy.

Method of Calculating the Amount of Contribution: Employee-required contributions to the Plan Sponsor are the employee's share of costs as determined by Plan Sponsor. From time to time, the Plan Sponsor will determine the required employee contributions for reimbursement to the Plan Sponsor and distribute a schedule of such required contributions to employees.

Qualified Medical Child Support Orders: The Plan's procedures for handling qualified medical child support orders are available without charge upon request to the Plan Administrator.

Amendment or Termination of the Plan: Your employer, as the Plan Sponsor, has the right to amend or terminate this Plan at any time. Note that the insurance contract, which is how benefits under the Plan are provided, is not necessarily the same as the Plan. As a result, termination of the insurance contract does not necessarily terminate the Plan.
